

Texas Center for the Missing's mission is to bring hope and healing to the missing and their families through crisis intervention, prevention, and community education.

Texas Center for the Missing (TCM) is a Houston-based non-profit and is the Amber Alert provider for the 14-county Houston-Galveston region. TCM offers crisis intervention, prevention, and community education services related to child abductions, runaways, internet lures, and endangered adults. In 2017 alone, 10,174 children were reported missing in Greater Houston. To decrease the numbers of missing children, we at Texas Center for the Missing know that children and families need to be educated about how to remain safe, law enforcement needs to be trained on how and when to activate Houston Area Amber Alerts, and the community at large needs to be aware of the painful reality of these situations.

Since its founding in 2000, TCM has directly served more than 289,000 children and families. In addition, TCM has trained 7,000 law enforcement officers and provided assistance in more than 1,300 missing persons cases. We are at the ready to activate community resources 24/7 to get a missing child or endangered adult home quickly and safely. Your support directly affects our ability to serve the Greater Houston community with the best and most time efficient resources available.
