

INTERNET SAFETY TRAIN-THE-TRAINER PROGRAM

WHAT: This *Internet Safety Train-the-Trainer Program* is specifically designed to teach school resource officers, law enforcement personnel, and educators how to deliver comprehensive Internet Safety Programs* to children and parents. Additionally, participants will receive supplemental materials, resource lists, and a flash drive containing all pertinent documents. It is being co-sponsored by Texas Center for the Missing, Houston Metro Internet Crimes Against Children Task Force, the Medallion Foundation, and Children's Assessment Center.

**The NetSmartz Workshop (www.netsmartz.org) was developed by the National Center for Missing and Exploited Children in conjunction with the Internet Crimes Against Children Task Force Program and in partnership with the Boys and Girls Clubs of America.*

TARGET AUDIENCE: School Resource Officers, Law Enforcement Personnel, and Educators

WHERE: Children's Assessment Center, 2500 Bolsover Street, Houston, TX 77005

WHEN: Wednesday, May 11, 2016 - 1:00 PM – 4:00 PM

COST: Free, but **information for your background check (as noted below) must be completed and returned to Beth Alberts 3 business days prior to the training. Trainees agree to provide 3 trainings in their local communities within 1 year of training.**

INSTRUCTOR: Beth Alberts is CEO of Texas Center for the Missing and the Houston Regional Amber Alert System. Texas Center for the Missing staff and volunteers have provided Internet Safety Instruction to more than 10,000 children and 5,000 parents and educators.

If you would like to register, visit our website at <https://online.centerforthemissing.org/FreeTraining> or send this information via e-mail to support@tcftm.org. For questions, contact Texas Center for the Missing, 713.599.0235.
