### About Texas Center for the Missing (TCM)

Texas Center for the Missing's mission is to bring hope and healing to the missing and their families through crisis intervention, prevention, and community education.

As a direct result of TCM services, 36 families were reunited in 2020 alone.

Houston's Amber Alert System is a program of Texas Center for the Missing.

Private donations are the only source of funding for this life-saving program.

Your support ensures TCM stands ready to answer the call!
