ABOUT TEXAS CENTER FOR THE MISSING (TCM)

TCM's mission is to bring hope and healing to the missing and their families through crisis intervention, prevention, and community education.

As a direct result of TCM's services, 44 families were reunited in 2021 alone. Houston's Amber Alert AND Silver Alert Systems are programs of TCM. Private donations are the primary source of funding for these life-saving programs. Your support ensures TCM stands ready to answer the call!
