**WHAT IS BIRDIES FOR CHARITIES®?**

Birdies for Charity®, presented by THINK Neurology for Kids is a fundraising program designed to give local charities the opportunity to generate contributions through the Houston Open. 100% of your donations to the program go directly to the charity of your choice. The Houston Open will also award the top fifteen donation-collecting charities and four randomly drawn charities with an additional bonus. Simply make a one-time flat donation and mail with payment to the Astros Golf Foundation's office at 501 Crawford St. Houston, TX 77002.

To enter the contest, guess the number of birdies that will actually be made by PGA TOUR Pros during the tournament, Thursday through Sunday. A grand prize will be given to one person who guesses the correct number. In case of ties, winners will be randomly selected.

In addition to making a donation, each donor can guess the number of birdies made during the tournament. One lucky supporter of Birdies for Charity Presented by THINK Neurology for Kids will win a suite night at a 2023 Houston Astros game, courtesy of the Astros Golf Foundation.
