HOW TO REQUEST TEXSAR

TEXSAR DOES NOT SELF DEPLOY.

TEXSAR must receive a call from a local agency/authority in order to deploy resources.

1. Call the TEXSAR activation line: 512-994-4SAR (4727).
2. Information will be requested from the requesting agency.
3. TEXSAR works directly with the requesting agency to gather information to establish TEXSAR's response plan and mission role.
4. TEXSAR deploys.
