4. Join us May 14 for #MissingInHC Day! It's important to bring information with you to be used to enter or update information in missing persons databases. Including:
 - Photos of the missing person – helpful photos include the person photographed with any identifying features, such as tattoos or birthmarks, or personal items, such as favorite earrings
 - Two of the missing person's closely related family members from the mother's side for the collection of DNA for identification purposes only (DNA is collected via cheek swab. No blood samples are being collected.)
 - Photo identification of those wishing to submit family reference DNA
 - X-rays, dental or medical records, police reports or other identifying documents from the missing person that can be scanned and placed on file
 - Families and friends are welcome to wear memorial t-shirts, bring posters or any literature to display and commemorate their missing loved one (any literature or photos left behind will not be returned) (ATTACH FLYERS)
