

## Local Agencies Unite in Effort to Locate Missing Persons

*Attend Missing in Harris County Day, Saturday, May 14*

For those with missing loved ones and those who would advocate for them, an annual event May 14<sup>th</sup> in Houston is the place to be for resources, awareness, and more.

May 14, 2022, is Missing in Harris County Day (MIHCD). To celebrate and commemorate this occasion, local, state and national agencies with a mission to find missing persons ask you to attend Missing in Harris County Day on Saturday, May 14, from 10 AM to 3 PM at The Children's Assessment Center, 2500 Bolsover Street, Houston, TX 77005. MIHCD's mission is to help those with missing loved ones make connections that can help bring the missing home.

Families and friends of missing persons as well as interested members of the community are encouraged to attend the event to learn how to navigate the missing persons system. Agencies at the event to assist families and friends of missing persons include social service agencies and various missing persons networks, such as Texas Center for the Missing.

The event will feature:

- Local law enforcement agencies accepting missing persons reports and updates from families of the missing
- Trained DNA collection specialists collecting *voluntary* family reference DNA cheek swabs to upload into a national missing persons database
- Bilingual guides assisting all attendees in the completion of a missing persons report or directing attendees to resources
- Private roundtable discussion for family members with a missing loved one
- Panel discussions addressing missing persons issues and more!

Families or friends should plan to bring information to the event for data entry or information updates in the national missing persons database, including:

- Photos of the missing with identifying features (e.g., tattoos or birthmarks) or personal items (e.g., favorite earrings or shirt)
- X-rays, dental or medical records
- Police reports or other identifying documents that can be scanned and placed on file
- Two biological relatives from the mother's side of the missing loved one to voluntarily submit DNA samples, if desired

More information is available at: <http://centerforthemissing.org/missing-in-harris-county-day/>.

Attendees are welcome to wear memorial t-shirts and bring posters, photos, or literature to display to commemorate their missing loved ones on the "Wall of the Missing." The "Wall of the Missing" is a centralized location at the event for all attendees to view missing persons information. Documents placed on the board will not be returned after the event.

### About Missing in Harris County Day

Partners in the Missing in Harris County Day event include the Harris County Sheriff's Office, Houston Police Department, Harris County Institute of Forensic Sciences, Texas Center for the Missing, and The Children's Assessment Center. Other collaborators and in-kind sponsors of the event include: Alexandria Lowitzer Recovery Fund, Crime Stoppers of Houston, Galveston County Medical Examiner's Office, Harris County Community Services Department, NamUs - National Missing and Unidentified Persons System, Pasadena Police Department, Project Guardian, Project Lifesaver, South Texas Mounted Search & Rescue, Texas Equusearch, and TEXSAR. Law enforcement connected to the event will not be checking for citizenship documentation or for arrest warrants.
